

*On the Creature Trail:  
Rescue Mission*

## RULES

1. if it isn't your animal (from your clue), leave it alone.
2. you can only have one clue at a time and a total of 5 clues.
3. You must show your animal before getting your next clue.
4. you must stay within the boundaries of the game.
5. you can help a friend if you have found all 5 of your animals.

## *Build a Block Animal*

### HOW TO:

1. Choose a bag of blocks.
2. Open.
3. Follow the manual to build your animal.
4. When complete, place your animal in your animal box to take home.

## *Rock Animal Art*

### HOW TO:

1. Choose an animal to create.
2. Gather your supplies: rock, animal transfer, water, paint and brush (optional palette for color mixing), foam adhesives, googly eyes.
3. Remove clear protective sheet on transfer. Wet transfer in bowl of water.
4. Place transfer FACE DOWN on rock and apply pressure for 30 seconds. Remove gently.
5. Allow transfer to fully dry before painting.
6. Paint your rock animal as desired.
7. Allow paint to fully dry before moving to next step.
8. Use adhesive backings and foam bases to apply to rock animal.
9. Apply googly eyes.
10. Place in animal box to take home.
